Draw one more tree.  
How many trees are there now?
- 3 How many houses are there?  
Draw five more houses.  
How many houses are there now?
- 4 How many boats are there?  
Draw 6 more boats.  
How many boats are there now?

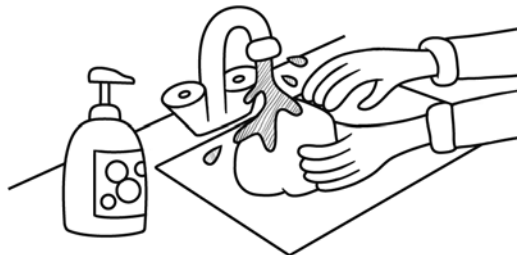

Rocks can make the perfect pet! They don't need food, water or walks! Follow these steps to create your own pet rock!

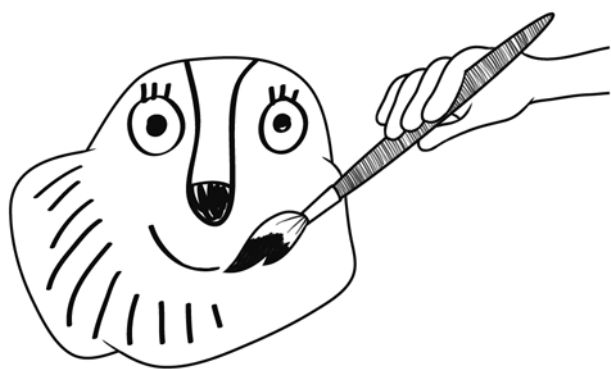

Step 1: Find a rock that you like.

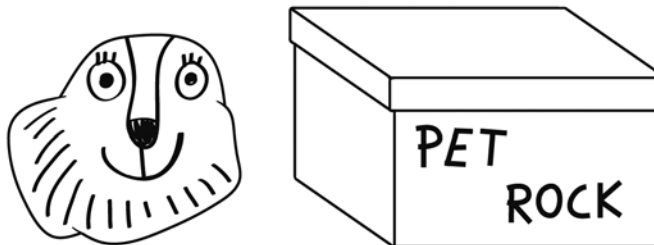

Step 2: Wash the rock with soap and water.

Step 3: Paint a face on your rock.

Step 4: Let the paint dry. If you want, make a home for your pet out of a shoebox.

1 Draw designs for your pet rock.
