Actividad de alumnos y alumnas de 6º continua una historia. Se les facilita el principio de la historia:

I was playing in the park when I saw a dog, then the dog dug a hole and I fell into it. Because of that I broke my leg. I went to the hospital and I had surgery. I didn't know what happened. The first thing I saw was a flying Monster. I looked at my leg and... It's not broken!! I said with a shout. I felt very happy but I woke up again in the hospital. It was all a dream and I still have my leg broken.

I was playing in the park when I saw a dog, then the dog dug a hole and I fell into it. Because of that I broke my leg. I went to the hospital and I had surgery. Later the doctor gave me a magical bandage and told me the rules to use it, after that I fell asleep and woke up in a magical world. Then I saw a house and I went in. I saw a princess, a fairy and an elf. They seem surprised.

I asked: _ Where am I?,

The princess said:_ You are in the sugar world, Welcome!!,

Then the elf said:_Who are you and what are you doing in our world?

I don't know, I just fell asleep I answered.

They started talking to each other. Then they said: _ you are the girl who has to save us!

_What?? I just want to go home. I answered.

No, please, we need your help They said. _ you have to fight with a dragon to save our city!

_Mmmmmmmmm, No. I'm not going to do that. I said because I was a bit scared.

They looked very sad so I answered: _Oh well! This is gonna be a real adventure!

I was going to the park when I saw a dog. After that the dog came after me. Then I went to buy some sausages and gave them to the dog so it stopped following me but he started to talk _ Thank you. I love sausages_ he said

_Wait, can you talk?But you are a dog!! _ I said

The dog started to walk and I came after him. He was going to a very old house.

Enter He said

I did what he asked. Then I saw a very strange family. They were zombies. I ran to my house very quickly. Then I woke up. It was only a dream!

I was going to the park when I saw a dog. After that the dog came after me. Then I went to buy some sausages and gave them to the dog so it stopped following me but he started to talk _ I need your help! He said. I was surprised and I started to run away. I looked back and I didnt see the dog anymore. I calmed down but then I heard a noise behind me. I looked back and I saw the dog. He flew to me!_ I need your help!_ he repeated.

Ok I said.

Come after me, we are in a park but you are in the multiverse saying that, the dog became Spiderman. Was it real or not?

The ground started moving, and I woke up.
